### III. Statement of claim

(Briefly state the facts of your case. Include dates, times, and places. Describe what each defendant did or how he/she is involved. If you are making a number of related claims, number and explain each claim in a separate paragraph.)

on 1-15-18 I dislocated my left shoulder on 1-16-18 I saw doctor ashraf and he sent me to get a X-Ray I took the X-Ray and was not given any results 3 days past since the X-Ray and the doctor told me he saw it said "No change" so I was not sent to the hospital yet or given any pain medication its now 33 days and my shoulder is still dislocated and I am being refused treatment, They say I do this to myself therefore I have to deal with it and they were told by the MD Joubert to never see me for this problem because I do it. That is not right and I am suffering in this cell everyday that my shoulder is dislocated all they have to do is send me to the ER or to see a specialist they are not

### IV. Relief

(State briefly what you want the Court to do for you.)

I would like for the court to order medical to send me to the ER to get my shoulder reduced its been to long also I need the court to tell them to treat my Hep C. Please treat this as an emergency this is my last resort emergency b

up with an orthopedic surgeon and That was never done,

The medical Department has no regards for my medical condition and Its sad. P.A Holly Told me To Live with it" were not going To keep sending you out" or you do it yourself. I have had 5 Surgerys To correct This Problem So If I was causing This on my own why would I want To fix The problem it makes no Logical since my Shoulder Is never Supposed To Stay dislocated No matter If I do It on my own or not I can't Sleep Because of The pain I am depressed Because I know I do not deserve To Be Treated Like This while These people go home and enjoy life I have To sit In a Box and suffer with a dislocated shoulder for 33 days Not including The Time it will Take for you To get This. I also have hope and The state know about this for 5 months now I have high Levels with a Swollen Liver Not once has a doctor checked on me To see if my liver Is still swollen if my levels got higher Lord knows what The Infection Is doing To my Body I have been having hot cold Sweats, fever, fatigue, nose bleeds and my organs ache at night I am 100% sure something Is not right with my Body I need Help my mom Is worried sick.
